## Summary

Hello, everybody!

"I am Vikash, Vikash Kumar".
I am from Jamshedpur, Jharkhand, INDIA.
I am a student of mathematics, but I have decided to become a web developer.

I possess the necessary skills and knowledge to work as a Frontend Developer.
I am familiar with HTML, CSS, and JavaScript. By using a CSS framework such as Tailwind CSS, I can streamline the process of styling and designing a website.
"I am currently learning backend."

In my free time, I enjoy being creative by editing and creating banners, thumbnails, and videos, as well as designing compelling presentations.
